

# GOLDEN CHICK STARTER

## PRODUCT DESCRIPTION

Denver Golden Chick Starter Crumbles are specially formulated to meet the nutritional requirements to grow and develop healthy young chickens from day one.

## FEEDING GUIDELINES

Feed Golden Chick Starter Crumbles ad-lib from day one up to 6-8 weeks of age.

Provide ad-lib access of feed at all times. Chickens will consume 25-130 grams of feed depending on age, breed and weight.

Keep feed fresh and ensure feeding containers are kept clean.

Ensure that chickens have access to fresh clean water at all times

## STORAGE

Store in a cool dry place and out of reach of vermin or any other animals

## CAUTION

Do not feed to species other than those stipulated on the label.

**WARNING:** Contains Rumensin® ionophore. Do not allow dogs, horses or other equines or camelids access to feeds containing Rumensin®. Ingestion of Rumensin® by dogs, horses or other equines and camelids has been fatal.

**NOTICE:** Do NOT feed to sheep, cattle, deer, goats, buffaloes, or other ruminant animals. This product contains or may contain ruminant protein.

## Poultry
